Department of Education XII
Koronadal City

Dear Sir,

Greetings!

The University of the Philippines SOCCSKSARGEN, a duly recognized organization for students from Region XII based in UP Diliman, Quezon City, continues to uphold honor and excellence through its objectives, namely (1) to develop camaraderie and intimate bonds of friendship amongst the university students who come from the said region, (2) to promote a better cultural and socio-political awareness of Region XII and Mindanao, and lastly, (3) to extend services to the youth of Region XII and reconnect with them by presenting fun learning opportunities.

Hence, to attain these objectives, our organization will be holding Quizmas 2019, now on its 13th year, on **December 17, 2019** at the **SM City GenSan** with the theme: "**Kabataan: Tingog Para sa Bwas-damlag.**" Quizmas 2019 consists of four events: the **Quizmas Challenge**, the **Poster-Making Competition**, the **Spelling Contest**, and the **Photography Contest**.

The **Quizmas Challenge** is an annual quiz show featuring the brightest minds of the Region's youth all competing for academic excellence. The quiz show is an evident manifestation of our continued commitment in advocating academic competence and interaction among high school students in Region XII.

The **Poster-Making Competition** aims to harness the creativity of the students and to promote the culture and arts of the region in line with this year's theme.

QUIZMAS 2019

The **Spelling Contest** aims to foster competitive yet friendly environment among the participants. It is also the organization's way of extending its reach to the elementary school students of SOCCSKSARGEN.

A new feature is the **Photography Contest**, open to senior high students, which aims to promote appreciation for the photographic culture that helps communicate a greater awareness for the region alongside this year's theme.

We are inviting your office to take part by personally attending or sending a representative to grace our activity and give a short message during the opening program. We are also humbly asking your office to help us in disseminating information about the 2019 Quizmas Challenge by issuing a memorandum or an advisory to be disseminated in all schools divisions in the region. Attached here is a sample format of the memorandum, which you can follow and a sample event invitation letter for schools.
