Dear Sir Dela Cruz,

Republic Act (RA) 10121 or known as the Philippine Disaster Risk Reduction and Management (DRRM) Act of 2010 mandates the integration of Disaster Risk Reduction Education into school curricula and encourages the children and youth in participation in disaster risk reduction and management activities. Further, municipality of Tboli has challenging geographical school site locations that makes it difficult for rescuers to respond in far flung schools in times of emergency, therefore teachers and education practitioners should be equipped in disaster response and rescue operations.

Anent to this, the Municipal Disaster Risk Reduction and Management Council (MDRRMC) of Tboli together with the Provincial Disaster Risk Reduction and Management Council of South Cotabato will be conducting a 5-day Disaster Response and Rescue Operations (DRRO) Training for selected-school DRR coordinators on November 25-29, 2019 to be held at MDCC, Tablogan, Aflek, Tboli, South Cotabato.

Further, we are requesting you to allow and send memorandum order to the selected DRR coordinators to be added to their service credits. Attached is the list of the aforesaid coordinators.

Hoping for your positive response for a strong and resilient Tboli.

Respectfully,

MARK KIM P. TANGCALA, RSW
