OSDS No. **178**, s. 2021

SCHOOL YEAR 2021-2022

To: Public Schools District Supervisors/Principals In-Charge  
Public Elementary and Secondary School Heads  
District/School ICT Coordinators  
All Others Concerned

1. In reference to OUA Memorandum 00-0720-0063 dated July 17, 2020 titled **Guidelines on the Use of Devices Borrowed by Learners** and Division Memorandum OSDS No. 202 series of 2020, all identified schools are directed to issue their DCP Tablet PCs and Android Tablets to the learners to support the SLM Digitization Initiative of the Division Office.
2. School ICT Coordinators must prepare the devices prior to release to the learners by copying all the necessary SLMs into the tablets and tablet PCs. All SLMs were already in digital form and were available in the links provided by the LRMS. A copy of the memorandum of agreement between the school and the parents is also available for download at our division website: [depedsouthcotabato.org](http://depedsouthcotabato.org) in the downloads/ICT menu. School heads must ensure that all borrowed devices have corresponding MOAs and must prepare digital copies for submission to the Division ICT Unit.
3. Further, the School ICT coordinators must prepare a list containing the name of the borrower and ICT device borrowed. This will be used in the monitoring of the utilization of the DCP packages. Electronic copies of MOAs will be collected by the Division ICT Unit during the monitoring activity.
4. Monitoring schedule will be released in a separate memorandum at a later date by the Division ICT unit.
5. This is the list of identified schools with DCP package containing tablet PCs.
