CREOTEC PHILIPPINES, INC. ROBOTICS KIT

Creotec Philippines, Incorporated has successfully completed the regional workshop on integrating robotics in the science curriculum held last July 19, 2022. The said training was attended by education program supervisors in Science and Mathematics and select teachers.

The said organization also provided information that they can be tapped in further training in the region for the full implementation of the integration.

Relative to this, schools especially with Special Science Program (RSHS, STE, and SSES) are encouraged to avail of Robotics kits that will facilitate teaching and learning in the classroom regarding the integration of competencies of the Fourth Industrial Revolution (FIRE) 4.0 like the Robotics Technology. Purchase may be charged to MOOE and/or local funds that are borne from a partnership with stakeholders.

Details of the said product are discussed in the attached communication from Creotec Philippines, Inc. for your reference and guidance.

For more information and inquiry, contact Dr. Thess P. Bermudez at: 09178661755 and thessb@creotec.com.ph or thessbermudez@gmail.com.
