### **SELECTION OF SCHOOLS FOR ENERGIZATION UNDER ONE MERALCO FOUNDATION**

This has reference to the email of One Meralco Foundation requesting the Regional Office to provide lists of schools to be included in the School Electrification Program.

This is to advise all SDOs to identify schools based on the criteria given by One Meralco Foundation; to wit:

1. School must be off-grid (not connected in the local coop grid or if connected, electricity service is only during night time)
2. School must not be a DCP recipient (Batch 34)
3. School must be able to maintain the system using their MOOE budget (inclusion of maintenance budget in AIP);
4. Local Government Unit must provide fund support for the system maintenance using SEF;
5. Solar provider and technical personnel must be locally available (will be identified by the Foundation);
6. Local electric cooperative must agree with the electrification;
7. The PTA must be willing to conduct fund raising activities for the future system maintenance;

The required documents needed for electrification are as follows:

1. Certification from DepED Division Office
2. Certification from the LGU
3. Certification from Local Coop
4. Certification from PTA

The lists of schools should be available on October 4, 2022 during the virtual meeting with One Meralco Foundation and Region/Division Partnership Focal Persons to filter the lists versus the criteria.

For queries and submission, contact Ismael N. Ngitngit, Jr., Project Development Officer IV at 09101879877 or [ismael.ngitngit001@deped.gov.ph](mailto:ismael.ngitngit001@deped.gov.ph)

For information and guidance of all concerned.
