Regional Director  
Department of Education – XII  
Koronadal City

Attention: **DR. CYNTHIA DIAZ**  
Regional SPED Supervisor

Dear Sir Rocafort,

Greetings from Resources for the Blind, Inc.

As an institution advocating for quality education and placement for the visually impaired, we have been facing the reality that these students have been kept out of Science, Technology and Math classes (STEM). This problem can be attributed to several reasons predominantly on access to materials and the shortage of teachers trained to teach these disciplines.

In view of this, we are inviting receiving teachers who are teaching Science and Mathematics to students with visual impairments in your region to attend the virtual **Training for Science and Mathematics Receiving Teachers on STEM Education and Inclusive Environment for Students with Visual Impairment**. This will be on December 7 – 8, 2022 via zoom. It covers topics on understanding learners with visual impairment and instructional accommodations in teaching math as well as the use of assistive devices. You will meet the successful graduates and students with visual impairment who will be sharing their experiences in the STEM program.

Attached is the list of schools who cater to children with visual impairment. For confirmation and inquiries, you may contact us as at telephone number (082) 322 – 3142 or mobile number 09989639049 between 8:00A.M. to 5:00PM from Monday thru Friday.

Thank you for partnering with us in our endeavour to help children with visual impairment have access to the services that they rightfully deserve.

Sincerely,

**GINA S. PANULDE**  
Branch Director  
RBI Davao
