REGION MEMORANDUM
ESSD-2023-015

**CONDUCT OF THE VIRTUAL SBFP MILK SUPPLY MAPPING WORKSHOP
FOR FY 2023**

To: Schools Division Superintendents

1. The Bureau of Learner Support Services-School Health Division, requests the participation of the School Based Feeding Program (SBFP) Regional and Division Focal Persons to the **Virtual SBFP Milk Supply Mapping Workshop for FY 2023** to be held on **March 10, 2023** for Regions XI and XII via Microsoft Team from 9:00 a.m. to 4:00 p.m.
2. The objectives of the activity are:
 - a. To finalize the SBFP milk supply map with the actual number of beneficiaries and feeding days; and
 - b. To discuss milk logistics and arrangement with supplier.
3. The link for the registration of participants will be sent to them prior to the scheduled date.
4. The participants are requested to prepare the estimated number of beneficiaries for feeding, number of feeding days, recommended milk, number of districts and drop off points to be encoded in the milk supply mapping template google sheet in this link: https://bit.ly/FY2023_Milk_Supply_Mapping prior to the milk mapping schedule.
5. They are likewise encouraged to meet with their NDA/PCC partners to finalize the commitment before the activity. Then the number of beneficiaries with a commitment to NDA/PCC and the batch in which the milk feeding will be implemented will be determined in the supply mapping workshop proper with the partner and the local dairy producers.
6. In addition, as stated in the OUGFO Memo No. 2022-03-3676 with the subject School-Based Feeding Program Implementation SY 2023-2024, paragraph B for Milk component, prepare the necessary data for milk supply mapping; to wit:

SOCCSKSARGEN REGION

1. Using the SBFP Proposed List of School for FY 2023, start identifying schools recommended for pasteurized, sterilized and powdered milk. Please identify as many schools as possible which can be served with pasteurized milk because this is the priority under RA 11037. Secondly, identify schools that are recommended and can be served with sterilized milk (schools that are far-flung and not accessible by pasteurized milk and delivery may take long hours). Lastly, identify schools that are best served with powdered milk (schools that are far flung and not accessible by pasteurized/ sterilized milk, delivery may take long hours or days, schools that can only be reached by foot, high delivery cost for sterilized milk).
2. For the regional offices, they are requested to validate the schools recommended for SMP and powdered milk. Please note that RA 11037 only recommends the serving of fresh milk or fresh milk-based products. However after implementing the milk component for three (3) years, it was observed and duly noted that there are schools that are best served with powdered milk and fresh milk or fresh milk-based products are no longer practical to be served.
3. Use SY 2021-2022 nutritional status data by school from the Planning Service or they can use their 2022 data if already available.
7. For questions and concerns, contact Ferdinand M. Nunez and Ms Gail Hariette C. dela Rosa, BLSS-SHD may be contacted at cellphone number 09175620849 or 09083381188 or email sbfp.milk@deped.gov.ph.
8. For information and guidance of all concerned.

CARLITO D. ROCAFORT
Director IV
