All Other Concerned

1. In reference to DepEd Order No.003 series of 2023 allowing the conduct of face-to-face activities in schools amid the Covid-19 pandemic, curricular and co-curricular activities that involve the in-person gathering of a number of participants are now being done in schools. Such activities may include Jamborees and sports meet.

2. In line with this, the South Cotabato Provincial Athletic Meet this coming March 30- 31 and April 1-2 at Surallah, will be one of the main highlights of the province in making sure that our learners are still into sports having known that for almost 3 straight years, no sports event has been conducted due to the pandemic restrictions. Nonetheless, sports in education are an integral part of the curriculum. It helps to shape a person's personality and contributes to their holistic development. In some ways, this subject is a demonstration of all the disciplines that one has learned in school knowing also that every sport has its foundations in math and physics. Although many subjects are taught in the classroom, sports and physical education offer students an opportunity to be outside and exercise, as well as learn a wide range of skills.

3. Please refer to the enclosure for the list of nurses and their corresponding area of assignments.

4. Anent this, all School Health Section Nurse are directed to perform their tasks based on their job description and approved IPCRF to ensure the efficient and effective management of all traumatic and non- traumatic medical conditions of our athletes in every playing area during the provincial sports meet.
