Carlito D. Rocafort, CESO V  
Regional Director  
Office of the Regional Director for Region XII  
Department of Education

Dear Dr. Rocafort:

Greetings!

Sipnayan, an annual mathematics competition, has been held by the Ateneo Mathematics Society (AMS) for the past 23 years. It is an opportunity for students from various schools to demonstrate their knowledge and ability in mathematics in order to encourage enthusiasm for and excellence in the subject. In its 24th year, we are once again conducting an online competition!

Sipnayan 2023 will be delivered through online platforms such as Canvas and Zoom among others. The event will also be streamed live on our official Facebook page, which can be found at [facebook.com/AMSSipnayan](https://facebook.com/AMSSipnayan). The competition will be separated into three divisions: (1) Grade School, (2) Junior High School, and (3) Senior High School. Furthermore, each division's competition will be divided into three stages: (i) a written elimination round, (ii) an oral semi-final round, and (iii) an oral final round. Moreover, the contest will be team-based, with groups of three people completing all of the above stages. Lastly, the registration fee for the event will be ₱300 per group. Note that there can only be a maximum of three (3) teams per division per school and that the deadline for registration for all divisions will be on March 17, 2023 6:00 PM or until slots last.

Found below is the schedule for Sipnayan 2023:
