PLEDGE OF COMMITMENT

as

We, the Education stakeholders, commit to work hand-in-hand with the Department of Education-Schools Division of South Cotabato (DepEd-SDOSC) in promoting every learner's right to quality basic education by taking part in building **Matatag na Paaralan**.

We, also commit to extend our strong support to SDOSC's **Matatag Dreamweaver Partners Tayo** initiative for an effective implementation of the education programs, projects, activities, and innovations of DepEd-SDOSC that shall open wider horizon and provide opportunities to ensure that accessible, relevant and inclusive quality basic education shall be made available to the dreamweaver learners.

We see this cause as an opportunity to be strong and dynamic partners in championing efforts to address the needs of our schools and empower our learners to become productive members of their micro and macro community in the future.

We will also extend our assistance to the teaching and nonteaching personnel of the schools who shall enable the learners to develop their potentials as they weave their hopes and dreams.

We will do in the best of our ability to fulfill our mission as education stakeholders to create meaningful change in the lives of our Filipino Dreamweaver Learners of the Schools Division of South Cotabato.

So help us God!

Panginoon,

Sa nalalapit na pagbubukas ng klase, samahan Mo kami at ang buong bansa sa pagkakaisa sa layuning makapaghatid ng dekalidad na edukasyon.

Idinadalangin din namin sa Inyo ang kaligtasan ng mga Pilipinong mag-aaral sa pagbabalik ng klase. Na sa kanilang pagtuntong muli sa silid-aralan, hindi lamang mga aral ang kanilang makamit bagkus pati ang pagbuo ng masayang mga alaala kasama ang kanilang mga kaklase at guro.

Gabayan Ninyo ang Kagawaran ng Edukasyon at ang bawat stakeholder sa pagsasagawa ng Brigada Eskwela at maging tanglaw sa paghahandang aming gagawin nang sama-sama.

Nawa'y ang pagbabayanihan namin ay magbunga ng bagong pag-asa at pangako ng isang maganda at MATATAG na bukas.

Amen.
