Enclosure No. 2 – Project DOY Mechanics and Guidelines

**PROJECT DREAMWEAVING OPPORTUNITIES FOR THE YOUTH  
PITCHING COMPETITION**

**OBJECTIVE:**

The competition aims to empower the youth across the 10 municipalities of South Cotabato by encouraging them to pitch innovative, impactful, and sustainable projects that address local issues and contribute to youth development, community engagement, and learning opportunities.

**MECHANICS:**

**1. ELIGIBILITY:**

**Participants:** The competition is open to SSLG, SELG, YES-O, and BKD from the 10 municipalities of South Cotabato.

**Municipal Representation:** Each municipality is allowed 1 team/entry. The team should consist of 3-5 members.

**2. PROJECT GUIDELINES:**

**Project Theme:** The project should align with the theme of "Dreamweaving Opportunities for the Youth" and focus on areas such as:

- Youth empowerment through education, skills development, and employment.
- Community engagement by addressing specific community challenges or issues.
- Innovative solutions that bring a fresh perspective to common problems in the municipality.
- Sustainability and impact for the long-term benefit of the youth and the community.

**Submission Requirements:** Teams must submit a project proposal detailing the following:

**Title:** A catchy, relevant project title.

**Project Overview (Background and Introduction):** A summary of the issue being addressed and how the project aims to tackle it.

**Objectives:** Clear and measurable goals.

**Innovation:** Explanation of the creativity or uniqueness in the project's design or implementation.

---

**Sustainability Plan:** Strategies for ensuring the project can be sustained over time, even after initial funding or support ends.

**Impact:** Describe the expected impact of the project on the community. How will the project bring about positive change in perception, behavior, or the overall quality of life for its target beneficiaries?

**Community Engagement:** Outline how the project will engage and involve the community. Will the project involve partnerships with local organizations, schools, or stakeholders? Explain how community members, including key stakeholders, will participate in the project's implementation and long-term support.

**Replicability:** Include any systems, tools, or models that could be easily adapted by other learner formation organizations, local governments, or schools division offices. Detail how the project can be scaled, replicated, or expanded to benefit other communities facing similar issues.

### 3. PRESENTATION FORMAT:

Time Limit: Each team will be given a maximum of 5 minutes to present their project.

#### **Presentation Content: Presentations must cover the project's:**

- Background and Introduction: Why the project is important and how it addresses local issues.
- Objectives: What would you like to achieve in this project
- Impact: What changes or benefits it will bring to the target community?
- Innovation: The creativity and out-of-the-box thinking behind the project.
- Community Engagement: How it involves or will involve the local community and stakeholders.
- Replicability: How easily it can be replicated in other municipalities or regions.
- Support Materials: Teams are encouraged to use visual aids such as PowerPoint slides, infographics, videos, or prototypes. These materials should be concise and visually engaging, supporting the pitch without overloading the presentation.

#### **JUDGING CRITERIA:**

##### **Impact of the Project and Policy (35%):**

How well does the project address a critical issue in the community?

What is the potential for the project to change behaviors, and perceptions, or improve the quality of life for its beneficiaries?
