2. Since this activity shall take place on a school day, we strongly encourage affected schools to take appropriate measures to ensure that classes for participating teachers are not left unattended. We recommend that schools consider various approaches, such as redistributing students across different sections, designating other teachers or school administrators to oversee or handle classes, or implementing strategies that best serve the students' needs. School administrators should carefully oversee the execution of these plans to guarantee that class schedules remain uninterrupted.
3. Meals, snacks, travel allowances, and other incidental expenses shall be charged against Division/School MOOE and other local funds subject to the usual accounting and auditing rules and procedures.
4. For any inquiries regarding the conduct of this activity, please contact Leonardo G. Dimos, Principal In-Charge through messenger account.
5. Immediate dissemination of this memorandum is desired.
